SUMMARY

A professional who is recognized for skill in DRY code, communicating and teaching. A strong background in education, management, customer service, and music. Passionately studied Full Stack Web Development at the Rice University coding bootcamp, and is capable and teachable to grow as a developer. A lifelong learner who is very excited to be a part of the tech industry. To view my work, please visit my GitHub at github.com/mrdekraker.

TECHNICAL SKILLS

HTML, CSS, JavaScript

CSS Frameworks: Bootstrap, Tailwind, MaterialUI

Github, Heroku

MongoDB, Express, React, Nodejs

JEST, Lighthouse Testing

PROJECTS

MyStores | github.com/RDCERP/my-stores | <https://my-stores.herokuapp.com/>

- *This project is a social media site for those who would want to share yelp locations both to ask for recommendations, or share where they've been for others to try.*
- *Provided a lot of the back end, and designed a lot of the UI.*
- *JavaScript, React, Redux/Toolkit, MaterialUI*

RoundTable | github.com/Steezy1416/round-table | <https://round-table14.herokuapp.com/>

- *This project is a chat application utilizing Socket.io.*
- *Provided code for the front end.*
- *JavaScript, Handlebars, Socket.io, Session, Sequelize, Express*

Personal Portfolio | github.com/mrdekraker/mdek-react-portfolio |

<https://mrdekraker.github.io/mdek-react-portfolio>

- *This project is my portfolio, and my first attempt with React.*
- *I would like to add a blog section to this in the future.*
- *Reactjs, Tailwind, framer-motion, formsubmit*

EXPERIENCE

Teacher
ALDINE ISD

2020 - Current
Houston, TX

Teaching music basics to elementary aged students. Instructing students in a safe and structured learning environment.

Key Accomplishments:

- *Rookie Teacher of the Year during a pandemic year.*

Teacher/Manager

2016 – 2020

6 Strings Music Academy & RPC The Warehouse School of Music

Houston, TX

While I worked for these two music schools, I created websites to help promote school growth. One was a squarespace website, (no longer existing), and a wix site, www.6stringsma.com, my very first website.

Key Accomplishments:

- *Retained student body at RPC The Warehouse during the pandemic*
- *Created access to an online payment portal which helped retain the student body*
- *The online updated presence generated growth due to its UI design, accessibility, and online payment portal*

EDUCATION

Boot Camp Certificate: *Rice University, Houston, TX*

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node.js, MySQL, MongoDB, Express, Handelbars.js, and ReactJS.

Certification: *Rice University, Houston, TX*

B.S. in Interdisciplinary Studies of Web Design and Audio Engineering: *Liberty*

University online, Lynchburg, VA

2016-2018

The Art Institute of Houston: Web Design & Audio Engineering

Houston, TX

2008-2013
